

SPELLING LIST 13

Objective: I can spell words beginning with the prefixes; -dis, -mis, -in and -il.

-dis	-mis
disappoint	misbehave
disagree	mislead
disobey	misspell
disable	misuse
discount	misread

-in	-il
inactive	illuminate
incorrect	illegal
independent	illogical
invisible	illegible
insecure	illicit

TWO TO TEST	disappoint	misbehave
--------------------	------------	-----------

Prefixes change the meaning of the root word that they precede. The prefixes for the examples above change the meaning of the root words in the following ways:

mis = wrong.
dis = opposite of.
in and il = not.
