

White Hall 2018

Dear Parent/Carer,

Following the success in recent years of the year 6 residential to The White Hall Centre near Buxton, I have arranged a similar experience for next year's year 6 pupils from Monday 1st October until Friday 5th October 2018.

The cost of the residential will be around £280.00, dependent on the number of children attending and there is a small reduction of approximately £15 (actual amount to be confirmed) for children entitled to free school meals. When we know how many children are interested, we will let you know the final cost which includes transport, accommodation, insurance, equipment and the use of qualified instructors.

The week promises to be very exciting and certainly one your child will remember as they will take part in a variety of activities which may include climbing, cycling, abseiling, canoeing, orienteering, hill walking, scrambling and team problem solving, to name but a few. The children also require very little equipment as most is provided by the centre including duvets, water proofs, boots etc.

Although the residential is not until October, we now require a deposit of £20.00 to secure your child's place. Could you please pay this before Thursday 15th February, either by ParentPay or PayPoint in order for us to confirm numbers.

The remaining balance will then be set up as a payment item on ParentPay or PayPoint to allow you to pay the balance in manageable instalments direct from your bank account. Full payment will be required by the summer holidays.

Please note:

We will require at least 50% of the final cost by 31st May 2018. The £20 deposit is non-refundable, and any cancellation within one month of the residential week will carry a 100% charge.

Finally, we may have a space for parents willing to help during the week. The week is free to adult helpers so let me know if you fancy a week away with 30+ over-excited children. You don't have to take part in the activities unless you wish to.

I will contact you again later in the year to arrange a meeting about the week. You will also receive an itinerary, kit list and relevant medical and consent forms.

Yours sincerely,

R Hull
