

School Christmas Lunch
Wednesday 13th December 2017

Dear Parent/Carer,

To get into the spirit of Christmas, the school Christmas roast lunch has been arranged for **Wednesday 13th December 2017**.

Due to the popularity of the Christmas meal, please notify us if your child would like one on that day even if they usually have school dinners, this allows the kitchen staff time to prepare for a significantly higher number of meals and order the appropriate amount of food. We would also ask if parents could pay separately on ParentPay for this lunch even if you usually pay weekly for dinners, in order for us to get a better idea of numbers for this special event. The payment item will be called Christmas lunch and can be found on ParentPay under 'Other items' at the usual cost of £2.00 per child.

If your child is entitled to free school meals, please also order a dinner if required on the slip below, and obviously, no charge will be made for this.

It would be lovely to see as many children as possible enjoying a Christmas meal together.

Please complete the reply slip and return to school by **Wednesday 29th November**. If we don't have a slip returned and payment via ParentPay from yourselves by this date, we will assume your child will be bringing sandwiches on Wednesday 13th December.

Yours sincerely,

R Hull
 Headteacher

School Christmas Lunch 2017

I would like to order a Christmas Lunch for my child on Wednesday 13th December 2017.

I will arrange to send payment of £2 via ParentPay
 I require a PayPoint code

Name of child: _____ Class _____
